

Ariana Grande, Loving You Lately

[Pre-Chorus]

Whose clothes are you stealing at night?
Who's calling you baby?
Who's loving you lately?
Do you think of me?
Am I on your mind?
Who's calling you baby?
Who's loving you lately?

[Chorus]

Who's loving you?
Who's loving you?
Who's loving you?
Who's loving you lately?
Who's loving you?
Who's loving you?
Who's calling you baby?
Who's loving you lately?

[Verse]

Lying here, pick me up
Touching me, on you
Wishing you were right here
Making me, take it off
Watching you, while you watch
Wishing you were right here

[Verse]

I bet you wanna know
If she love me like you do (ooh)
I bet you wanna know
Who I'm fucking I'm after you (cool)

[Pre-Chorus]

Whose clothes are you stealing at night?
Who's calling you baby?
Who's loving you lately?
Do you think of me?
Am I on your mind?
Who's calling you baby?
Who's loving you lately?

[Chorus]

Who's loving you?
Who's loving you?
Who's loving you?
Who's loving you lately?
Who's loving you?
Who's loving you?
Who's calling you?

Can we commit to the end?
Or did we give up too soon?
'Cause now that I came with someone else
Maybe wish didn't give up so soon
