

# Ariana Grande, Moonlight

The sun is setting  
And you're right here by my side  
And the movie is playing  
But we won't be watching tonight  
Every look, every touch  
Makes me wanna give you my heart  
I be crushin' on you, baby  
Stay right where you are, cause

I never knew  
I never knew  
You could hold moonlight in your hands  
Til the night I held you  
You are my moonlight  
Moonlight

I kiss his fingertips  
As I'm wishing he's all mine  
He's giving me Elvis  
With some James Dean in his eyes  
Put his lips  
On my neck  
Makes me wanna give him my body  
I be fallin' for you, baby  
And I just can't stop, cause

I never knew  
I never knew  
You could hold moonlight in your hands  
Til the night I held you  
You are my moonlight  
Moonlight

He's so bossy  
He makes me dance  
Tryna sit in the back of his whip  
And just cancel my plans  
Sweet like candy  
But he's such a man  
He know just what it does  
When he's holding me tight  
And he calls me "moonlight" too
