Ariana Grande, My Hair

I'mma give you some instructions That you can't be scared to try I want you to touch it softly Like the way you do my mind

It's got body and it's smooth to touch He same way as my skin Don't you be scared

To run your hands through my hair Baby cause that's why it's there Come run your hands therough my hair Baby, don't be scared So Come run your hands therough my hair
