

Ariana Grande, Nasty

you got me all up in my feels
in all kind of ways
I be tryna wait but
lately I just wanna keep it real (real)

no more playin' safe
let's take it all the way
I am just saying
I just tryna make time for ya
swear, it's just right for ya

like this pussy designed for ya
10 out of 5 for ya
know i would stand on the line for ya
bet I look nice on ya
open my mind for ya
don't wanna wait on it
tonight I wanna get nasty
what u waitin' for?
