

# Ariana Grande, Off the Table (feat. The Weeknd)

Will I ever love the same way again?  
Will I ever love somebody like the way I did you?  
Never thought you'd be so damn hard to replace  
I swear it don't need to be this way If  
I can't have you, is love completely off the table?

Do i sit this one out  
And wait for the next life  
Am i too cold  
Am i not notice ?might not be quite yet healed already  
Should i be going too steady  
But i just wanna know is love completely off the table

Will you be there?  
Can i still love you?  
Can i, can i?  
Not yet healed already  
No redy  
Should i be going too steadt  
To steady  
Just wanna know is love completely off the table
