

# Ariana Grande, POV

It's like you got superpowers  
Turn my minutes into hours  
You got more than 2020, babe

Made of glass the way you see through me  
You know me better than i do  
Can't seem to keep nothing from you  
How you touch my soul from the outside  
Permeate me ego and my pride

I wanna love me  
The way that you love me  
For all of my pretty  
And all of my ugly too  
I'd love to see me from your point of view  
I wanna trust me  
The way that you trust me  
Cause nobody ever loved me like you do  
I'd love to see me from your point of view

(zwr. 2)

I wanna love me  
The way that you love me  
For all of my pretty  
And all of my ugly too  
I'd love to see me from your point of view  
I wanna trust me  
The way that you trust me  
Cause nobody ever loved me like you do  
I'd love to see me from your point of view

(zwr. 3)

I wanna love me  
The way that you love me  
For all of my pretty  
And all of my ugly too  
I'd love to see me from your point of view  
I wanna trust me  
The way that you trust me  
Cause nobody ever loved me like you do  
I'd love to see me from your point of view
