

# Ariana Grande, She Got Her Own

[Verse 1]

Me and all my girls  
Sip that liquor, pour me  
Come through  
Swingin' by your table  
In the bar, if we want to  
Don't be tryna front  
'Cause this ain't what you used to

[Pre-Chorus]

Ladies in the buildin'  
Probably makin' more than you  
He might got money but I bet  
She got her own  
You know she independent  
When she leaves here all alone

[Chorus]

You already know, you know  
You know, you know, you know  
You already know, you know  
You know, you know, you know  
But you still get it though  
But you could still get it, you still get it  
Only if you win it though, only if you win it  
You still get it, you know  
You know, you know, you know, you know  
You know, you know, you know, you know  
She got her own

[Verse 2]

You be throwin' money  
Yeah, yeah, yeah, look at your attitude  
Money? Rather spend it  
Yeah, yeah, yeah, on them new shoes  
Baby, I don't mind  
Puttin' you on some new-new

[Pre-Chorus]

Ladies in the buildin'  
Probably makin' more than you  
He might got money but I bet  
She got her own  
You know she independent  
When she leaves here all alone

[Chorus]

You already know, you know  
You know, you know, you know  
You already know, you know  
You know, you know, you know  
But you still get it though  
But you could still get it, you still get it  
Only if you win it though, only if you win it  
You still get it, you know  
You know, you know, you know, you know  
You know, you know, you know, you know  
She got her own (Sheesh)

[Outro]

He might got money but I bet  
She got her own, yeah  
He might got (He might got)  
He might got (He might got)

He might got money but I bet  
She got her own, yeah  
He might got, He might got
