

Ariana Grande, Six Thirty

I know I be on some bullshit
Know I be driving you crazy
But I know you love how I whip it
You can only stay mad for a minute

Some come here and give me some kisses
You know i am very delicious
You know i am very impatient
Might chnge my mind
So don't keep me waiting

I just Wonder baby if you're gonna stay
Even if one day i lose ut and go crazy
I kno wthis shit kinda heavy
I just wanna tell you directly
So boy le me know if you ready

Are you down
What's up
Are you down
What's up
Are you down
Are you down
What's up
Are you down
What's up
