

# Ariana Grande, The Light Is Coming (ft. Nicki Minaj)

[Intro:]

You wouldn't let anybody speak and instead—  
You wouldn't let anybody speak and instead—

[Nicki Minaj:]

Ay yo, trophy wife, out you won me  
Until you had to find out it's one me  
Now you benched, aww, your bum knee  
Now I'm the bad guy, call me Chun-Li (ooh)  
'Cause you was slippin', yep, you clumsy  
And everything I peep, can't just unsee  
Sips tea, and it's unsweet  
Respect bad gyal when mi done speak  
Now we shooting the shot like drive-by  
Why you had to make me go call up my side guy?  
Can't let a f-boy eff up my nice vibes  
Yo Ariana, come let me give you a high five

[Ariana Grande:]

The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—

What did she say? What did he say?  
You don't listen 'cause you know everything  
You don't even need dreams  
Tellin' everybody, "Stay woke, don't sleep"

Ah, gonna break that shit down  
You don't wait until they wait another round  
Ah, guess you're way above it now  
And that's your way to love it now

How can they tell you shit that you've been through?  
They are so confused, who cares about the rational?  
If it ain't your view  
That's the bottom line  
Know-it-all (know-it-all)  
Give you a box of chances, every time you blow it all (blow it all)  
As if it were shade, you would just throw it all (throw it all)  
It's like you're trying not to glow at all (glow at all)  
Know-it-all (know-it-all)

The light is coming to give back everything the darkness stole, stole, st-st-stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole, stole, stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole, stole, st-st-stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole, stole, stole  
You wouldn't let anybody speak and instead—  
The light is coming to give back everything the darkness stole  
You wouldn't let anybody speak and instead—

Why do we have chemistry?  
With a need for speed  
Doin' things that trouble clings to  
And burns off our wings

Ah, gonna break that shit down  
You don't wait until they wait another round  
Ah, guess you're way above it now  
And that's your way to love it now
