

Ariana Grande, The Way (ft. Mac Miller)

[Ariana Grande:]

I love you boy, you make me feel
I love you, I love you
I love you boy, you make me feel
I love you, I love you

[Mac Miller:]

Say, I'm thinking 'bout her every second, every hour
Do my singing in the shower
Picking petals off the flowers like...
Do she love me, do she love me not?
I ain't a player, I just crush a lot

[Ariana Grande:]

You give me that kinda something
Wanted all the time, needed everyday
On a scale of one to 10 I'm at 100
Never get it off, I can't stay away

[Pre-chorus:]

If you want, I got it, I got it everyday
You can go on playing it for me
Stay by your side, I'll never leave you
And I ain't going nowhere cause you're a keeper

So don't you worry, baby you got me
I got a bad boy, must admit it
You got my heart, don't know how you did it
And I don't care this is it babe
I don't want another way to feel you next to me
I love the way you make me feel
I love the way
(I love the way)
Baby I love the way you make me feel
I love the way, the way you love

Oh, so crazy you get my heart jumping when you put your lips on mine
And honey, ain't a question, (question)
Boy I know just what you like

So If you want, I got it, I got it everyday
Be your lover, your friend, you'll find it all there babe
Stay by your side, I'll never leave you
And I ain't going nowhere cause you're a keeper

So don't you worry, baby you got me
I got a bad boy, must admit it
You got my heart, don't know how you did it
And I don't care this is it babe
I don't want another way to feel you next to me
I love the way you make me feel
I love the way
(I love the way)
Baby I love the way you make me feel
I love the way, the way you love

[Mac Miller:]

Uh, I make it feel so fine, I make it feel so fine
I hope you hit me on my cell when I sneak in your mind
You're a princess to the public, but a freak when it's time
Said your bed be feeling lonely,
So you're slee?ing in mine
You come and watch a movie with me,
"American Beauty" or "Bruce Almighty" that groovy,

Just come and move closer to me
I got some feelings for you,
I'm not gon' get bored of
But baby you're an adventurous so please let me come and explore you

So don't you worry, baby you got me
I got a bad boy, must admit it
You got my heart, don't know how you did it
And I don't care this is it babe
I don't want another way to feel you next to me
I love the way you make me feel
I love the way
(I love the way)
I love the way
Baby I love the way you make me feel
I love the way, the way I love you
the way I love you
the way I love you
the way I love you uh, uh uh yeah
I love the way you make me feel
I love it, I love it
I love the way you make me feel
I love it, I love it
The way I love you
