

# Ariana Grande, Too Close

You know what I want  
I know what you don't  
I should be the one you love oh  
Boy you got my mind  
Playing truth or dare  
Daring me to kiss you right here

But we've been friends so long  
And it seems so wrong  
And everyone can see you're perfect for me  
But I just can't let it show

I've been thinking about you  
Boy it's killing me and I got to let you know  
Baby (tell me)  
Do you feel it like I do  
Cause we both know what could go down  
If we get too close

Ahh  
But if we get too close  
Ahh  
But if we get too close

Remember that girl  
That you used to date  
She with my ex-boyfriend  
That's great  
So what would you do  
What would you say  
If I said I loved you that way

But we've been friends so long  
And it seems so wrong  
And everyone can see you're perfect for me  
But I just can't let it show

I've been thinking about you  
Boy it's killing me and I got to let you know  
Baby (tell me)  
Do you feel it like I do  
Cause we both know what could go down  
If we get too close

Ahh  
But if we get too close  
Ahh  
But if we get too close

But I just can't let it show

I've been thinking about you  
Boy it's killing me and I got to let you know  
Baby (tell me)  
Do you feel it like I do  
Cause we both know what could go down  
If we get too close

Ahh  
But if we get too close  
Ahh  
But if we get too close

Ahh  
But if we get too close  
Ahh  
But if we get too close
