

Ariana Grande, VOODOO LOVE

I'm gonna mix a potion up
Make a special drink for you
Mhmmm
Just a little sip
and your never gonna know what hit you, yeah
When I'm through, ahhh

Now I'm not talking 'bout movies,
Don't need no happy end
I just wanna make you love me
And stay through thick and thin
I'm just gonna use some magic
Might feel a little drunk
And if you try and leave me
I'll lock you in the trunk

I'm gonna witch you and stick a pin right in you
My voodoo's so addicting
Three silver spoons of brandy wine
Just a frog and little thyme
And baby you'll be mine
With my voodoo love, ah yeah
With my voodoo love, ahh yeah...

Boy I really knew you were the one
The moment that I saw your eyes
Mhmmm
Strong and wise and sweet and quiet
Yeah you're just my type
Mhmmm

Now I'm not talking 'bout movies,
Don't need no happy end
I just wanna make you love me
And be my shiny prince
I'm just gonna use some magic
Might feel a little high
But we'll be so enchanted
And you'll feel so alive

I'm gonna witch you and stick a pin right in you
My voodoo's so addicting
Three silver spoons of brandy wine
Just a frog and little thyme
And baby you'll be mine
With my voodoo love, ah yeah
With my voodoo love, ahh yeah...

I always get
Just what I want
And boy I really want you now
So just say yes
Can't second guess the power of my voodoo love,
my voodoo love, my voodoo love

I'm gonna witch you and stick a pin right in you
My voodoo's so addicting
Three silver spoons of brandy wine
Just a frog and little thyme
And baby you'll be mine
With my voodoo love, ah yeah
With my voodoo love, ahh yeah...
