

# Ariana Grande, Winter Things

It ain't even cold outside  
Not where I'm from  
Feeling like it's mid July  
Under the sun

My jacket don't get no layer  
No hats, and no gloves  
Not even a chance of rain  
But my baby's in town and we gonna do some winter things

(Ayo) I wanna pretend we're at the North Pole  
Turning the heat into an ice cold holiday  
Made just for me and my baby, ooooooh, oooooh

My baby's in town and we gonna do some winter things

Take me to the ice skating rink downtown  
Oh no, no downtown!  
Even though it's 100 degrees  
Gotta get out (out)

Ain't no ice and no chills  
No snowman to build  
Most of our friends at the beach  
But my baby's in town and we're gonna do some winter things, hey!

(Ayo) I wanna pretend we're at the North Pole  
Turning the heat into an ice cold holiday  
Made just for me and my baby, ooooooh, oooooh  
My baby's in town and we're gonna do some winter things, hey!

Just imagine (that we're laughing)  
In the cabin, chilling by the fire side  
Even though this sun is blasting  
We can be wherever that we visualize

(Ayo) I wanna pretend we're at the North Pole  
Turning the heat into an ice cold holiday  
Made just for me and my baby, ooooooh, oooooh  
My baby's in town and we're gonna do some winter things, hey!  
Ooooooh, haaa oooooh haaa
