

Ariana Grande, yes, and? with Mariah Carey

In case you haven't noticed
Well, everybody's tired
And healing from somebody
Or something we don't see just right

Boy, come on, put your lipstick on
No one can tell you nothing
Come on and walk this way through the fire
Don't care what's on their mind
And if you find yourself in a dark situation
Just turn on your light and be like

"Yes, and?"
Say that shit with your chest, and
Be your own fuckin' best friend
Say that shit with your chest
Keep moving like, "what's next?"
"Yes, and?" yeah

Now I'm so done with sharing
This hypocrisy with you
Baby, you have been rejected
Go back, no more pretending that

Boy, come on, put your lipstick on
No one can tell you nothing
Come on and walk this way through the fire
Don't care what's on their mind
And if you find yourself in a dark situation
Just turn on your light and be like

"Yes, and?" (yes)
Say that shit with your chest, and (and)
Be your own fuckin' best friend (be your own)
Say that shit with your chest
Keep moving like, "what's next?"
"Yes, and?" yeah

My tongue is sacred, I speak upon what I like
I speak upon what I like
Protected, sexy, discerning with my time (my time)
Your energy is yours and mine is mine
Your energy is yours and mine is mine
What's mine is mine
My face is sitting, I don't need no disguise
Mine
Don't comment on my body, do not reply
Don't you comment on my body
Your business is yours and mine is mine
Why do you care so much whose **** I ride?
Why do you care so much whose **** I ride?
Why?

"Yes, and?"
"Yes, and?"
Say that shit with your chest and
Say that shit with your chest
Be your own fuckin' best friend
Be your own, be your own
Say that shit with your chest
Keep moving like, "what's next?"
Say that shit, say that shit, now
"Yes, and?"

"Yes, and?" (hoo, yeah)
Say that shit with your chest and (hoo)
Be your own fuckin' best friend
Be your own best friend
Say that shit with your chest
Keep moving like, "what's next?"
Like what's next?
"Yes, and?" yeah
