

Arid, You Are

I want to live with you
In your beds of bliss
Want to hide out
In your tenderness
I want the world to be
Made complete
On your life I will feed

You are
The summer rain
You are
What I can't explain
You are
The hurt inside
You are
What I cannot hide

It's freezing you
You're frozen still
Memories
Come flooding in
Turn the reel
Reverse the past
Are you trying to make
This moment last?

You are
The summer rain
You are
What I can't explain
You are
The hurt inside
You are
What I cannot hide

I want to live within
I can't live without
I want to build it up
So it can break me down
I am gonna let him have
His way with you
Do all things
that I wanted to

You are
The summer rain
You are
What I can't explain
You are
The hurt inside
You are
Feeling
Free
Born into the last divide

You are
Like the summer rain
You are
What I can't explain
You are
The hurt inside
You are

And again, and again

And again, and again
And again, and again
And again, and again

The murder inside
The murder inside
The murder inside
The murder inside
