

Ariel Pink, Gopacapuclo

Why don't you go out with my girl?
Wouldn't you ..., I cried
We'll match you with a bonafide girl
... bonafide in my mind
To whoever it may concern
Will I love you when you deal a dud?

She won't call me
She won't call me
Stuck in a game like an idiot wrapped in chains
She tells me a place that I couldn't anticipate

Gopacapulco
Let us know you like it when we go there
Gopacapulco
Though we twist inside you gopaculpo, eh
Gopacapulco

Jesse, when she moved up last year
Never gave so many words, oh no
Tell me what you see in my eyes
Please don't love me 'cause I'm telling lies
Don't let me ... you go
Well I love it when you tease me girl

Baby, oh baby
Baby, don't go 'cause I love you so
So give me your arms and don't ever
Let me go

Gopacapulco
Let us you know like it when we go, eh
Gopacapulco
Though we twist inside you gopaculpo, eh
