

# Ariel Pink's Haunted Graffiti, Only In My Dreams

If at first you don't succeed at love  
Just dream a little dream about a girl so real  
When she don't call up no more, well  
Never give up, you gotta believe it  
If only in my dreams (only in my dreams)  
If only in my dreams she'll be right there next to me  
And if I could say, if only in my dreams  
You're the luckiest girl  
In the world there's no other girl luckier  
You don't have to explain it

('Cause you're the one who's in love)  
And we'll have so much fun  
On the beach, on the ocean of my dreams  
Yet only in my dreams  
If at first you don't succeed at love  
Just dream a little dream about a girl so real  
And when she don't call up no more, well  
Don't ever give up, yeah you gotta believe it  
If only in my dreams she'll be right there next to me  
(Only in my dreams) only in my dreams  
And if I could say, if only in my dreams  
You're the luckiest girl  
In the world there's no other girl luckier  
You don't have to explain it

('Cause you're the one who's in love)  
And we'll have so much fun  
On the beach, on the ocean of my dreams  
Yet only in my dreams  
And if I could see  
That you'll be real with me  
And we'll have so much fun  
And it's just begun  
If only in my dreams (you're the luckiest girl)  
In the world there's no other one luckier  
You don't have to explain it

('Cause you're the one who's in love)  
And we'll have so much fun  
If only in my dreams
