

Ariel Pink, Want Me

want me
i want me you want me
i want you to want me
but want me want me
please please
want me want me
want me want me
want me
i want me you want me
cause right now i know you
hate me hate me
please please
want me want me
want me want me
i hate me till i hate
to tell you but you're thinking
bout my mind into one go
put you in this place
want me want me
want me want me
please
want her want him
