

# Arkarna, Eat Me

What's on your mind, don't be shy  
There's no sense resisting,  
We both know the deal, it's alright,  
Cos I'm here to stay,  
You've got me all night if you want me,  
I won't go away.

Eat my heart out, when I wake up,  
Can't remember how I got here  
all I know is I don't care.  
No dog you can't chew my bone,  
Better go now, call a taxi,  
I can't look you in the eye,  
I don't want to see you anymore,  
No dog you can't chew my bone.

I won't pretend I'm not confused,  
She's full of surprises she knows I can't refuse.  
She says 4's fun, but you're the one,  
A clean body and a dirty mind,  
We're two of a kind.  
Eat my heart out, when I wake up,  
Can't remember how I got here  
all I know is I don't care.  
No dog you can't chew my bone,  
Better go now, call a taxi,  
I can't look you in the eye,  
I don't want to see you anymore,  
No dog you can't chew my bone.

We could be lonely...
