

Armin Van Buuren, I am

I am Your truth, I am Your destiny
I am desire and despair
I am Your glow inside Your beating heart
I am the love that leads you there
I am Your soul, I am Your soul
I am the darkness where You disappear
I am the light that leads You safe
I am the shepherd of Your laughter and Your tears
I am Your pleasure and Your pain
I am Your soul, I am Your soul
I am the faith that leaves Your spirit strong
I am the sunlight in the rain
I am the universe inside Your mind
I am Your pleasure and Your pain
I am Your soul, I am Your soul
I am Your soul, I am Your soul
I am the courage that inspires You
I am the knowledge that You gained
I am the people You will choose to be
I am Your pleasure and Your pain
I am Your soul, i am Your soul..
