

# ArrDee, Home For My Heart (feat. Cat Burns)

You told me you don't see me that much  
Every call I make I don't say enough  
But I been tryna to put the time in for us  
I been grindin' so hard, no home for my heart

Who knew life could move so fast?  
Tied up my shoes, then I shoot for the stars  
Give me a twos in my car, and the juice for my bars  
On my way, if I never stop, how do I start?  
Me, I been workin' hard all day, week, year  
All the time in the world could make time unclear  
But, the deep end's where I learned to swim  
The weekend's whenever I drink  
I'm sleepin' the second that I blink  
And the beep's all they gettin' when they ring  
All the thinkin' it when it ain't a thing, ah  
I don't really get to spend time with me much  
Surrounded by hands, sometimes I lost me, I need touch

You told me you don't see me that much  
Every call I make I don't say enough  
But I been tryna to put the time in for us  
I been grindin' so hard, no home for my heart  
You told me you don't see me that much  
Every call I make I don't say enough  
But I been tryna to put the time in for us  
I been grindin' so hard, no home for my heart  
So please don't give up on us  
Please don't give up on us  
Please don't give up on us  
Please don't give up, no  
Please don't give up—

Where's a home for a heart when you're a mile high?  
All the time, and you sign up for this fast life  
Been a while since I been stuck in hard times  
But times are still hard, just a different kind of hard, right?  
When I switch off, doesn't mean I gave up  
I been missin' me time that I gotta make up  
You're forgettin' where I came from  
I just gotta take time, and I'm sick of seein' all the fake love  
Just leave me  
The way I need and it needs be  
Wearin' my heart on my sleeve  
But the heart ain't for me, my heart's been bleedin'  
It's give and take, but I don't give enough

You told me you don't see me that much  
Every call I make I don't say enough  
But I been tryna to put the time in for us  
I been grindin' so hard, no home for my heart  
You told me you don't see me that much  
Every call I make I don't say enough  
But I been tryna to put the time in for us  
I been grindin' so hard, no home for my heart  
So please don't give up on us  
Please don't give up on us  
Please don't give up on us  
Please don't give up, no  
Please don't give up—

Please don't give up on us  
Please don't give up on us  
Please don't give up on us

Please don't give up—  
Please don't give up—

You told me you don't see me that much  
Every call I make I don't say enough  
But I been tryna to put the time in for us  
I been grindin' so hard, no home for my heart
