

# Arrested Development, People Everyday (Metamorphosis Mix)

See I was resting at the park minding my own  
business as I kick up the treble tone  
on my radio tape player box, right  
just loud enough so folks could hear it's hype, see ?  
Outta nowhere comes the woman I'm dating  
investigation maybe she was demonstrating  
But nevertheless I was pleased  
My day was going great and my soul was at ease  
until a group of brothers started bugging out  
drinking the 40 oz, going the nigga route  
Disrespecting my black queen  
holding their crotches and being obscene  
At first I ignored them cause see I know their type  
They got drunk and got guns and they wanna fight  
and they see a young couple having a time that's good  
and their egos wanna test a brother's manhood  
So they came to test Speech cause of my hair-do  
and the loud bright colors that I wear [Boo !]  
I was a target cause I'm a fashion misfit  
and the outfit that I'm wearing brothers dissing it  
Well I stay calm and pray the niggaz leave me be  
but they're squeezing parts of my date's anatomy  
Why, Lord, do brothers have to drill me ?  
Cause if I start to hit this man they'll have to kill me

[CHORUS:]

I am everyday people (2x)

I told the niggaz please let us pass, friend  
I said please cause I don't like killing Africans  
but he wouldn't stop and I ain't Ice Cube  
but I had to take the brother out for being rude  
and like I said before I was mad by then  
It took three or four cops to pull me off of him  
But that's the story y'all of a black man  
acting like a nigga and get stomped by an African

[CHORUS]
