

# Arsenium i Natalia Gordienko, Loca

Every night i need mi loca  
Every night i need her boca  
Every night i need mi loco  
Need him crazy just un poco  
Hey, Loca, give me, give me your boca  
You're my girl you're my loca  
You're breaking my heart  
Hey, loco, please, espera un poco  
And Ill give you my choco  
Do you want it or not?  
Every time i see mi loca  
I feel i go crazy un poco  
She's so sexy, she's so hot  
Every night she's breaking my heart  
Every time i see mi loco  
I realize he's crazy un poco  
And we keep on dancing all night long  
With my boy i will never feel alone  
Hey, Loca, give me, give me your boca  
You're my girl you're my loca  
You're breaking my heart wowowowo  
Hey, loco, please, espera un poco  
And Ill give you my choco  
Do you want it or not?  
If i wanna taste her love tonight  
Need to kiss her boca one more time  
I can fly away and reach the stars  
Every time i drown into her eyes  
If i wanna taste his love tonight  
I just have to hold mi loco tight  
I can fly away and reach the stars  
Every time he looks into my eyes  
Hey, Loca, give me, give me your boca  
You're my girl you're my loca  
You're breaking my heart  
Hey, loco, please, espera un poco  
And Ill give you my choco  
Do you want it or not?  
She's a little bit loco  
A little bit coco  
A little bit tall yo  
A little bit small yo  
A little Latino  
A little Europio  
A little bit choco  
Exotic Marocco  
She's a good girl  
She's a little mean  
Nice body from the covers  
Of the magazines  
Eyes like deep green  
Lips like angelina  
The most beautiful girl  
That youve ever seen
