

# Artch, Where I Go

In the dark I hear the storm  
The fire keeps us warm  
I reach out to touch your face  
To feel the warmth of your embrace

Tomorrow I'll be back on the road  
I'll miss you - no matter where I go

I've traveled far, high 'n low  
Like a river that falls to the sea  
In search for something - to feel free  
But in the end I always take  
The road that will lead me to you  
I hope you'll be there - waiting too

Don't know when I'll miss you - where I go  
Baby, I can't get enough, ohh I've got to  
Let you know - You'll always be where I go

When I'm alone far from home  
I feel like I'm a prisoner - damned for all times  
I sing my song for you alone  
there's nobody else that'll do ...  
Well, I guess I'm a slave for ...  
Loving you

Tomorrow I'll be back on the road  
I hope you will follow - where I go -
