

# Arthur, Amazingly True

Don't forget my nervous smile  
Don't forget when it's been a while  
You've gone your way  
And I've gone mine  
I wanted you to stay  
And spend more time  
Your photograph has been worn thin  
It's been worn in  
We'll look back and laugh,  
cause we were so young and so full of fun  
You've gone your way  
And I've gone mine  
I wanted you to stay  
And spend more time  
More time with me  
Enjoy life with you  
We've got a lot to see  
We've got a lot to do  
Amazingly, truthfully  
Beautifully, you
