

# As It Stands, Know It All

You have this feeling inside, and it makes you want to run and hide, you're so scared. You've got y  
Too scared to say you love her too scared to let your feelings show you know she's leaving but it's  
Another Will Hunting you think you know it all but this time you've never been so wrong you're only  
She can't remember you and the last time that you met, she can't remember you you stupid f\*\*king

Tell me what you have denied she feels the same as you inside.

Too scared to say you love her too scared to let your feelings show you know she's leaving but it's

Another Will Hunting you think you know it all but this time you've never been so wrong you're only
