

# Asaf Avidan, In A Box III - A Man Without a Name

Train, train, has come again  
Taken by the bad till it's pain  
Come out, but it prove bad  
I have the stone out, paint in black

And I don't know if I can love again  
I don't know if I can love again  
Here I am, a man without a name

I've been bad, but I've done good  
I did the best I understood  
So many times I tie the noose  
Around my neck, but it came loose

I don't know if I can love again  
Said, I don't know if I can love again  
But here I am, a man without a name

Knock, knock, knock, who is there?  
Somebody that I ever dare  
To love and leave, and to ignore  
Now they're breaking down my door

Got 'em begging, begging please  
Not the hammer, not the knees  
I don't wanna walk, I need to run  
From everything I've ever done

I don't know if I can love again  
And I don't know if I can love again  
But here I am, a man without a name

I don't know if I can love again, oh no  
I don't know if I can even say again  
But here I am, a man without a name

Here I am  
A man  
A man  
A man without a name
