

Asha, The Ages Game

How The Land By All Manner Of Means
I´m Bound Up In You
My Way Of Thinking Is Worn Out
Since You´ve Made Me Move
I Have A Dreary Overdose
Cos I Don´t Know What I´m Looking For
Under The Wing Of The Lady Gloom
I´m Overtaken In The Ages Game Rules
False Ambiguous Words Today With Me
Tomorrow Never Knows
Stop In Mean Street Walking By Myself
I´m Not In
I´m Not Buckling To Chase Your Steem
It´s No Easy To Overreach
A New Page With Notes In Blue
I´m Overtaken In The Ages Game Rules
Take Care With Your Steps
In Love A Miss Is As Good As A Mile
Get The Drop By Your Experience
And Take The Light Under Control
It Is A Dream Or A Need To Survive
That´s Killing Me ?
It Makes Me Feel Under The Wing
Of The Lady Gloom
So Rescue Me Soon
