

Ashanti, Leaving

[Ashanti]

If you were me what would you do?
always a lie,
and never the truth,
now as for me
I'm moving on.
You'll always be my baby

[Ashanti]

Baby I, just got to let you go for now
thought I could take it for a while
maybe even make it back around
Baby I, just got to live my life for now
can't see me changing for a while
hope I can make it back around.

[Ashanti]

Anything that I want I could get it boy
You know you turn me on and on
That's why I switch my frame of mind
of being there when you call, always on time.
I'm looking to spread my wings and party
everything and for everybody
I need my space my time alone
its like our hearts don't match no more
Still anything that you want you could get it boy
You know I still got love for you
in court I plea the 5th, my baby.

[Ashanti]

Baby I, just got to let you go for now
thought I could take it for a while
maybe even make it back around
Baby I, just got to live my life for now
can't see me changing for a while
hope I could make it back around.

[Ashanti]

When you was cheating you was probably thinking
I won't sense a thing
but love got a funny way of catching up to lies
and your lies can't look me straight in the eyes
I'm not surprised that you hurt me baby
but why me baby?
Just let me breathe and I'll fly free babe.

[Ashanti]

If you were me, what would you do?
Always a lie, and never the truth
Now as for me, I'm moving on
You'll always be, my baby.

[Ashanti]

Baby I, just got to let you go for now
thought I could take it for a while
maybe even make it back around
Baby I, just got to live my life for now
can't see me changing for a while
hope I could make it back around.

[Ja Rule]

Yo! Yo!
Why in the world would you wanna leave me girl?
Is there something I did that you feel is better than what's here at home

And I know a bitch could do bad on her own
you're not alone
The way you hurt me baby,
shit why me baby,
I be in pain a little but I know that love is real
and as long as it lets you go you
feel the need to come back to me baby
who else would to hold you and sex you crazy
R-U-L-E
come on holla at me baby
