Ashanti, Leaving

[Ashanti]

If you were me what would you do? always a lie, and never the truth, now as for me I'm moving on. You'll always be my baby

[Ashanti]

Baby I, just got to let you go for now thought I could take it for a while maybe even make it back around Baby I, just got to live my life for now can't see me changing for a while hope I can make it back around.

[Ashanti]

Anything that I want I could get it boy You know you turn me on and on That's why I switch my frame of mind of being there when you call, always on time. I'm looking to spread my wings and party everything and for everybody I need my space my time alone its like our hearts don't match no more Still anything that you want you could get it boy You know I still got love for you in court I plea the 5th, my baby.

When you was cheating you was probably thinking I won't sense a thing but love got a funny way of catching up to lies and your lies can't look me straight in the eyes I'm not surpised that you hurt me baby but why me baby? Just let me breathe and I'll fly free babe.

[Ashanti]
