

Ashanti, U

See I aint the one to hold back all thse words I'm sayin
Cuz I like wat you doing to me
Aint no time for wasting
So wont you follow me, there aint no need to say a thang
Cuz I know just wat I want
And how to get it baby

[Chorus]
Tonight I need your body
Tonight you got my time
Tonight you won't be sorry
Tonight you got my body

[Chorus 2]
I want you, gotta have you, said I need you, can you feel me [2x]

Now I've been known to crush a brother once or twice before
But wat you bringin to the table looks like so much more
So can we go find out behind closed doors
Cuz I know just wat I want
Hers wat im asking for

[Chorus]
Tonight I need your body
Tonight you got my time
Tonight you won't be sorry
Tonight you got my body

[Chorus 2]
I want you, gotta have you, said I need you, can you feel me [2x]

Can't help the way I'm feeling baby baby
Keep doing wat you doin that drive me crazy
Cuz I can never see nuttin betta than u and me
I'm lookin for a full time baby
Who's lookin for a full time lady
To be, be wit me

[Chorus 2]
I want you, gotta have you, said I need you, can you feel me [2x]
