

Ashnikko, Cry (Feat. Grimes)

I am a tough biych
But i am sensitive
Could've
Could've
Could've
Quick fucked
By your sedative

That's relative
Cause you were pushing me
Out to the fucking Edge

I am about to rip all of my hair out
Cause
I am madder then i've ever been

I just wanna call you
But i know i can't
Fuck a fuckin' fuck boy
Fuckin' up my plans

Lay another finger on me
You could lose a hand
You could lose a hand
You could lose a

Bitch, are you tryna make me cry?
Are you tryna make me lose it?

You win some and lose some
This could get gruesome
