

# Asia, I Will Be There For You

(Payne/Downes/Sherwood)

I remember long ago  
A foolish one that hurt you so  
I was someone you need to know

Stay here tonight  
Turn back the tide  
You've got to shine on my life again

I just need a second chance  
To repair this circumstance

Stay here tonight  
Turn back the tide  
You've got to shine on my life again

Anything you want  
Anything you need  
I will be there for you  
Every single day  
Every little way  
I will be there for you  
Anything you need  
I will be there for you  
Every single day  
Every little way  
I will be there for you

I am so much wiser now  
I live so fast I must slow down  
Forget the past forgive me world

Stay here tonight  
Turn back the tide  
You've got to shine on my life again

Anything you want  
Anything you need  
I will be there for you  
Every single day  
Every little way  
I will be there for you  
Anything you need  
I will be there for you  
Every single day  
Every little way  
I will be there for you

It's not up to me  
You have to believe  
We must cross this sea alone  
Did you ever know?  
The day I let you go  
I've been running on my own  
On my own

Anything you want  
Anything you need  
I will be there for you  
Every single day  
Every little way  
I will be there for you  
Anything you need

I will be there for you  
Every single day  
Every little way  
I will be there for you
