

Asia, Kari-Anne

Heart and soul
You took me in a special way
No time at all
My feelings were just blown away
Angel in red
I couldn't take my eyes off you
A golden chance
Into the light out of the blue

This is the time
The place is a four-minute rendezvous
But oh my God
The thought never entered my mind
Before I saw you

Oh Kari-Anne
The first time that I ever saw your face
Well I knew
Oh Kari-Anne
I never should be standing in this place
But I do
Kari-Anne

Shameless love
We know what we're gonna do
Hopeless romance
But I love every inch of you
In your arms
Do anything you want me to
No way out
My heart just tells me what to do

Whoa, Oh Kari-Anne
Kari-Anne
