

# Asking Alexandria, Psycho

I'm feeling out of my mind  
Oh god I feel so alive  
Oh no I'm not gonna die  
Cos I'm a psycho

I love to get attention  
The tensions all I need  
To feed my own insanity  
Don't ask me for forgiveness  
I'd rather watch you bleed  
If it meant that I could see with clarity  
Somethings awaken deep inside  
It's like I'm frozen still in time  
And In my head it's like I'm in a cage  
I hide behind the devils eyes  
I lost my faith a thousand times  
And in my head it's like I'm in a cage  
(In a cage)

I'm feeling out of my mind  
Oh god I feel so alive  
Oh no I'm not gonna die  
Cos I'm a psycho  
A messiah to life  
I'm feeling out of my mind  
I'm going crazy  
Cos I'm a fucking psycho

Woah, Woah  
I'm a fucking psycho

You'd think I'd learn my lesson  
Or quit while I'm ahead  
Don't fuck with all the memories in my mind  
I'm about to break down, nothing can help now  
Why do I keep falling, falling to the ground

Somethings awaken deep inside  
It's like I'm frozen still in time  
And In my head it's like I'm in a cage  
I hide behind the devils eyes  
I lost my faith a thousand times  
And in my head it's like I'm in a cage  
(In a cage)

I'm feeling out of my mind  
Oh god I feel so alive  
Oh no I'm not gonna die  
Cos I'm a psycho  
A messiah to life  
I'm feeling out of my mind  
I'm going crazy  
Cos I'm a fucking psycho

Woah, Woah  
I'm a fucking psycho  
Woah, Woah

Somethings awaken deep inside  
It's like I'm frozen still in time  
And In my head it's like I'm in a cage  
I hide behind the devils eyes  
I lost my faith a thousand times  
And in my head it's like I'm in a cage

I'm feeling out of my mind  
(I'm a fucking psycho)  
I'm feeling out of my mind  
(I'm a fucking psycho)

I'm feeling out of my mind  
I'm a fucking psycho  
I'm a fucking psycho  
I'm feeling out of my mind  
I'm a fucking psycho  
I'm a fucking psycho

I'm feeling out of my mind  
Oh god I feel so alive  
Oh no I'm not gonna die  
(Die)

Some things awaken deep inside  
It's like I'm frozen still in time  
And in my head it's like I'm in a cage  
I hide behind the devil's eyes  
I lost my faith a thousand times  
And in my head it's like I'm in a cage

I'm feeling out of my mind  
Oh god I feel so alive  
Oh no I'm not gonna die  
Cos I'm a psycho  
A messiah to life  
I'm feeling out of my mind  
I'm going crazy  
Cos I'm a fucking psycho  
I'm a fucking psycho
