## Ass Ponys, Only

i can be your supersize you can be my only onion rings or curly fries quarter pounder skip the salad bar please don't kick my busted heart too far

i can be your oppenheim you can be my only trying to think of words that rhyme find a notebook meet me at the car please don't kick my busted heart too far

i can be your soft machine you could be my only cultivate obscurity save your tonsils in a mason jar please don't kick my busted heart too far

i can be your frankenstein you could be my only tie me down with baler twine run your forked tongue along my scar please don't kick my busted heart too far
