

Asteroids Galaxy Tour, Heart Attack

I'd do 22 states and half a mile
Just to see your face before I die
I don't care if all the lights are red
I've got a wild horse running right through my head

Well jeez Louise now don't you stop
'Cause I'm not half way through of having enough
You and me until we drop
We're gonna hip shake escape
Come on take-me-to-the-top

You got me head over heels on gasoline
You know how it feels like nicotine
Head over heels go raise your flag
Come on Bang Bang Bang give me heart attack
Heart attack

Burning down the wheels tonight
Hey! Are you ready
Burning down the wheels tonight
Hey! Are you ready
Burning down the wheels tonight
Hey! Hey! You ready
Burning down the wheels tonight

My man knows what it's all about
He will shoot me first then ask me out
It was meant to be right from the start
Yeah he carved his name into my heart

Well jeez Louise a love roulette
Yeah we got good times rolling in a red corvette
You and me in silhouette
We're gonna hip shake escape
Do the things we never dared

You got me head over heels on gasoline
You know how it feels like nicotine
Head over heels go raise your flag
Come on Bang Bang Bang give me heart attack
Heart attack

Burning down the wheels tonight
Hey! Are you ready
Burning down the wheels tonight
Hey! Are you ready
Burning down the wheels tonight
Hey! Hey! You ready
Burning down the wheels tonight
