

# ASTRO □□□□, ONE

This is it!

Cause we come as (one)  
we come as (one)  
we come as (uuu)

we come as (one)  
we come as (one)  
we come as (uuu)

between my monotonne world  
there is a small crack  
you'e a bright light shining into me  
completely dyed  
(haha)  
The sound os my heartbeat gets higher  
(yeah)  
Higher and higher  
It never  
It never gonna stop!
