This is it!

Cause we come as (one)
we come as (one)
we come as (uuu)

we come as (one)
we come as (one)
we come as (uuu)

between my monotonne world
there is a small crack
you'e a bright light shining into me
completely dyed
(haha)
The sound os my heartbeat gets higher
(yeah)
Higher and higher
It never
It never gonna stop!
