Aswad, Tuff We Tuff

Tuff we tuff Nuff it nuff All the pains We're feeling Tuff we tuff

Nuff it nuff

All the things

We see

Tuff we tuff

Nuff it nuff

All the pains

We're feeling

Tuff we tuff

Nuff it nuff

And nothing's

Here for free

Nine to five

I can hardly survive

In this existence

I man now got to stay alive

This ya situate

Oh Lord they find it hard

l say

They pay you just enough

On Friday

Getting you back there

On Monday

Tuff we tuff

Nuff it nuff

All the pains

We're feeling

Tuff we tuff

Nuff it nuff

All the things

We see

Tuff we tuff

Nuff it nuff

All the pains

We're feeling

Tuff we tuff

Nuff it nuff

And nothing's

Here for free

Nine to five

I never could survive

In this existence

I man now find redundant times

Standing here

Waiting in the labour queue

It just blows my mind

Cos they don't pay you enough

Then they tell you this,

Then they tell you that again

In this ya situate

Oh Lord how must I survive

In this existence

Every man now got to stay alive

In this ya situate

Oh man they find it hard I say

They pay you just enough

On Friday

Getting you back there

On Monday

Tuff we tuff

Nuff it nuff
All the pains
We're feeling
Tuff we tuff
Nuff it nuff
All the things
We see
Tuff we tuff
Nuff it nuff
All the pains
And misery
Tuff we tuff
Nuff it nuff
All the things
We see
