

# At Vance, My Bleeding Heart

Now all that is left  
Are these broken pieces of my life  
And I'm asking myself  
Was it all worth it  
Were I was wrong  
What was my mistake  
I gave you all I had (to give)  
But your love was just a fake

Can't you see  
What you've done to me  
You took all of me  
But you didn't answer my call  
You never knew me at all

[Chorus:]  
My bleeding heart  
Will tell you  
All the pain you've caused  
You've torn me apart  
And my soul is crying  
To bring back our love

Maybe you thought  
That nothing in this could  
Bring me down  
But the truth is here for you  
Cause my heart's not made of stone  
I'm not the man  
That I used to be  
You thought me  
What sadness means to me

What you see  
Is what you've done to me  
You just took my heart away  
But I couldn't make you see  
I could not make you stay

[Chorus]
