

Atari Teenage Riot, Modern Liars

We dedicate this song
To a hackers
DJ-s, activators
All writers

Modern Liars
Love Machines
The get inspired
And steal your dreams
The class of victim was never higher

If you want in all
You can have it
If you want in all
Just take it!
/2x

If you want in all
You can have it
If you want in all
Just take it!
/2x

Algorithms, algorithms
Have you find you new religion?
The have, road to freedom
Twig technology

If you want in all
You can have it
If you want in all
Just take it!
/2x
