

# ATB, Around the world

The kisses of the sun  
Were sweet I didnt play  
I let it in my eyes  
Like an exotic drink  
The radio playing songs  
That I have never heard  
I dont know what to say  
Oh na na na the world just  
Refren: La la la la la  
It goes around the world just  
La la la la la  
Its all around the world just  
La la la la la  
And everybody singing  
La la la la la  
And now the bells are ringing  
La la la la la  
La la la la la la la  
Its not an empty room  
My inspiration fells now  
Wait to hear the tune  
Around my head all close  
Its not empty  
You want to sing with me  
Just la la la la la  
The music is the key  
And now the lie is gone  
Feeling goes on and on  
So deep inside of me  
I want to set it free  
I dont know what to do  
Just cant explain to you  
I dont know what to say  
Oh na na na the world just
