

# ATB, I Don't Wanna Stop (Kenny Hayes Remix)

I don't wanna stop  
When the wind blows between us  
High above this empty feeling  
I don't wanna stop  
I don't wanna stop  
When the waves crash beneath us  
Down below this empty feeling  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop

When the wind blows between us  
High above this empty feeling  
I don't wanna stop  
I don't wanna stop  
When the waves crash beneath us  
Down below this empty feeling  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop  
I don't wanna stop
