

ATB, Renegade

Take care 'cause I'm coming in
I see my shadow and I don't know when
I'm alive with you
And it feels so true

We don't need shelter
On this sky
Bring back the storms
That made us high

I'm alive with you!

Baby I'm a renegade like you
Baby I'm hurting too
Been around the world
Now I'm running back to you
(2x)

Sweetheart, this world
It makes no sense
No pot of gold, no innocence
I'm alive with you

We don't need shelter
On this sky
Bring back the storms
That made us high

We're alive!

Baby I'm a renegade like you
Baby I'm searching too
Been around the world
Now I'm running back to you

Baby I'm a renegade like you
Baby I'm hurting too
Been around the world
Now I'm running back to you

Run with me 'cause we won't live forever
Run with me

Baby I'm a renegade (3x) like you

Run with me, we'll take it all together
Run with me 'cause you're the one I need
Run with me 'cause we won't live forever
Run with me

Baby I'm a renegade like you
Baby I'm searching too
Been around the world
Now I'm running back to you
