

# ATB With Boss And Swan, Raging Bull

I've been beat, I've been down  
Taking shots for the crown  
I've been down  
I've got the marks and all the proofs  
This face couldn't be any more bruised  
Any more bruised!

I'd rather be a lover  
Than be a raging raging bull  
I'd rather be a lover  
Than be a raging bull

I'd rather be a lover  
Than be a raging raging bull  
I'd rather be a lover  
Than be a raging bull

Than be a raging bull...

Gloves are off, towels in  
Lond before we begin  
We begin  
All the odds are in my hands  
I'm expected to fall on their command  
But I'd rather stand

I'd rather be a lover  
Than be a raging raging bull  
I'd rather be a lover  
Than be a raging bull
