

# Athena Manoukian, Chains On You

I got it  
You wanna take me to the party  
'Cause you're naughty, huh  
Well, let me tell you a kind of story

Yeah, I start it, I make it, I ride it, I work it  
Don't like it, I'm gonna say no  
I ain't no lyin', I'm tryin', I'm flyin', no buyin'  
And I know I'm gonna make it to the top (yeah, yeah, yeah)

Keepin' my diamonds on you  
I'm keepin' my diamonds on you  
Keepin' my diamonds on you  
&quot;I got angels by my side&quot;  
This is what I said to you  
Diamonds shinin' on me  
My diamonds shinin' on me  
Diamonds shinin' on me  
You said, &quot;I don't really care&quot;  
Can't you see I'm right here?

Boy, don't deny, my lips on fire, they're screamin' boy  
Let me breathe, you're all I need and I say boy  
Call my name, we're burnin' flame, I want you boy  
I'm yours, only yours and of course hurt me

Chains on, chains on you  
I'ma put them, boy  
Chains on, chains on you  
Chains on, chains on you  
I'ma put them, boy  
Chains on, chains on you

I'm starin' at you while sittin' next to you  
I think I got a juice, I started thinkin' how my name would sound to you  
So you were walkin' towards me and I know I should believe  
I would be the one that really make you feelin' like a boss

I start it, I make it, I ride it, I work it  
Don't like it, I'm gonna say no  
Ain't no lyin', I'm tryin', I'm flyin', no buyin'  
And I know I'm gonna make it to the top

Keepin' my diamonds on you  
I'm keepin' my diamonds on you  
Keepin' my diamonds on you  
&quot;I got angels by my side&quot;  
This is what I said to you  
Diamonds shinin' on me  
My diamonds shinin' on me  
Diamonds shinin' on me  
You said, &quot;I don't really care&quot;  
Can't you see I'm right here?

Boy, don't deny, my lips on fire, they're screamin' boy  
Let me breathe, you're all I need and I say boy  
Call my name, we're burnin' flame, I want you boy  
I'm yours, only yours and of course hurt me

Hurt me

I'm yours, only yours and of course hurt me

Chains on, chains on you

I'ma put them, boy  
Chains on, chains on you  
Chains on, chains on you  
I'ma put them, boy  
Chains on, chains on you

Diamonds shinin' on me  
My diamonds shinin' on me  
Diamonds shinin' on me  
You said, "I don't really care"  
Can't you see I'm right here?
