

Athenaeum, Anyone

It's very very necessary
To take things as they come
No hurry don't get yourself worried
I know you're not that dumb
Oh anytime you want
I'll be there for you
Anywhere you are
Is where I'm running to
And anyone would agree
I'm so right for you
Anyone

It's easy it's so very easy
So why are you so sad
Take all your problems
Know that you can solve them
It might not be that bad
Oh anytime you want
I'll be there for you
Anywhere you are
Is where I'm running to
And anyone would agree
I'm so right for you
Anyone
