

# Athlete, The Outsiders

We can walk in straight lines  
We can't see quite right  
We've lost the plot  
And we can't get it back  
So let's lose ourselves  
Let's lose ourselves

Can you spot the English here?

Let's pick a fight on whomever we like  
Cause we're never wrong  
Nobody likes us  
We don't care  
So let's lose ourselves  
Let's lose ourselves

Can you spot the English here?

We can see it for real  
But it doesn't make sense  
We're the outsiders  
We can see all this speech  
Come staggering out  
And we can climb its way  
To the top of that cloud

I'm away with the fairies now  
I'm away with the fairies now  
I'm away with the fairies now  
I'm away with the fairies now

This familiar environment  
Gets my lungs confused  
I breathe in every particle  
That you drive thru  
That you drive thru

Well can you spot the English here?

We can see it for real  
But it doesn't make sense  
We're the outsiders  
We can see all this speech  
Come staggering out  
And it can its way to the top  
Of that cloud

Oh I'm away with the fairies now  
I'm away with the fairies now  
I'm away with the fairies now  
I'm away with the fairies now
