Atom And His Package, I Am Downright Amazed

Me and Jan and Brian bought a pretty little hole.

It was cheapish and we split and we're fixing it up. So Mr. Sokol does everything rewires, fixes cracks.

I can only break walls, moves stuff, and get snacks.

And I am downright amazed at what I can destroy with just a hammer.

And I am downright amazed at what I can destroy with just a hammer.

Nails in drywall, paint haul, blah blah.

Move in, no sink, new broom, I think.

I bribed the garbage man!

I am a super bad boy again.

And I am downright amazed at what I can destroy with just a hammer.

And I am downright amazed at what I can destroy with just a hammer.

Brian, don't stay mad with us.

Come on, eat some food with us,

We own a home together.

And I am downright amazed at what I can destroy with just a hammer.
